

TRASH COLLECTION SERVICE

Information on trash collection
in the 18 towns of Alta Valsugana

- **RESIDENTS:** all families residing in the area must enroll at the AMNU offices
- **TOURISTS:** ask your host (who must provide you with this information) about methods and tools for correct trash disposal (Mater-Bi bags, key to private trash bin, etc.)
- **COMPANIES:** may request special services, which are provided free-of-charge or against a fee

HOW TO SEPARATE TRASH

If it is separated carefully, trash can be recycled and thus becomes a precious resource. That's why it's meticulously collected in separated form (75% in 2007) in our area. Let's all keep working to dispose of trash correctly, for the sake of our health and the environment we live in.

YELLOW BINS

YES

Paper and cardboard, crushed cardboard boxes, newspapers, magazines, catalogs, notebooks without spirals, and similar items.

NO

Waxed paper, plastic-coated paper, paperboard (milk and cement cartons, and similar items), paper saturated with dangerous substances.

WHITE BINS

YES

Clean bottles and cans, yogurt containers, plastic and polystyrene containers, nylon film, packaging for electrical appliances, cereal and potato chip bags. To reduce volume, crush packaging whenever possible.

NO

Rubber boots, clothing, toilet seats, pipes, radio equipment, cans of used motor oil, vehicle batteries, toys, tetrapak containers, flower vases, tablecloths and rugs, brushes, brooms, trash cans, sponges, outdoor furniture, tableware, garbage.

GREEN BELL

YES

Glass, jars and cans.

NO

Ceramics and plastics.

BROWN BINS – MOIST WASTE

YES

Organic waste such as leftover food, which must be collected in special biodegradable bags (Mater-Bi or paper).

NO

All non-organic trash.

GREEN BINS FOR PRIVATE USERS

Amnu distributes these bins to all users so they can collect their own trash. When the bins are full, they are carried to the curb on trash collection day.

YES

Non-recyclable trash.

NO

All recyclable trash.

GREEN BINS FOR THE PUBLIC

These bins, which are for public use, operate with an electronic key supplied by Amnu. One 15-liter bag can be loaded at a time, at a cost of € 0.81.

YES

Non-recyclable trash.

NO

All recyclable trash.

BROWN LAWN TRASH BINS

SÌ

Grass, flowers, roots, turf, small quantities of twigs.
Large quantities must be brought to the Collection Center.

NO

All other trash.

DO-NOTs

DO NOT BURN TRASH

The smoke will contain dioxin, an invisible substance which causes cancer.

DO NOT THROW TRASH INTO THE WRONG CONTAINER

The entire load will be ruined.

DO NOT LEAVE TRASH ALONG THE STREET OR IN THE ENVIRONMENT

DO NOT THROW BAGS OF TRASH INTO ROADSIDE TRASH BASKETS

THOSE IN BREACH OF THESE RULES WILL BE FINED!
